

genome = CHM13

Number of genes collapsed during gene family collapse

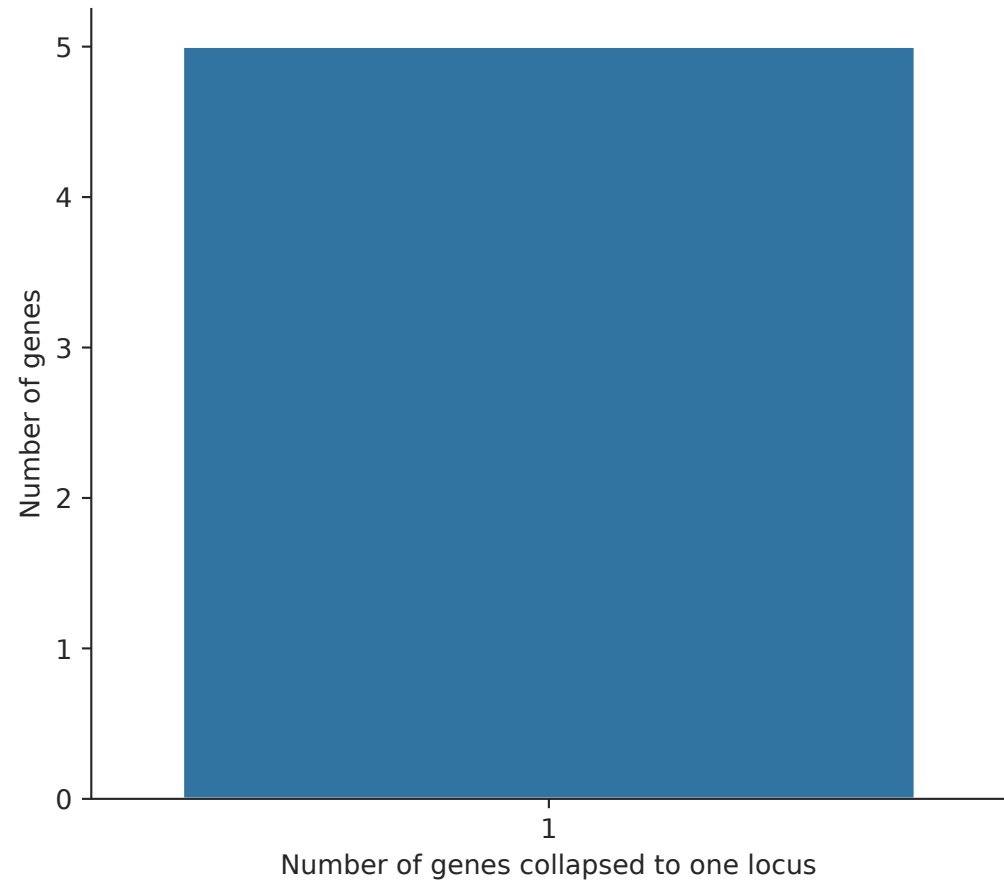

genome = CHM13

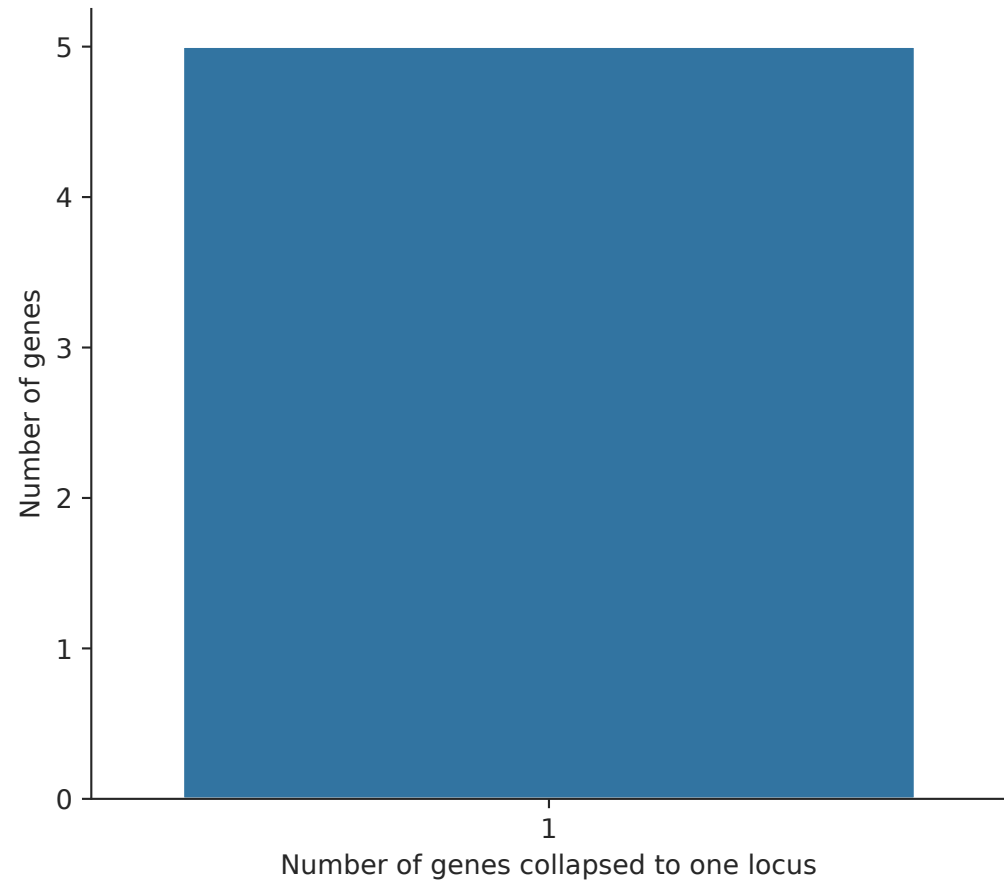

genome = CHM13

Number of genes collapsed during gene family collapse for IG_D_gene

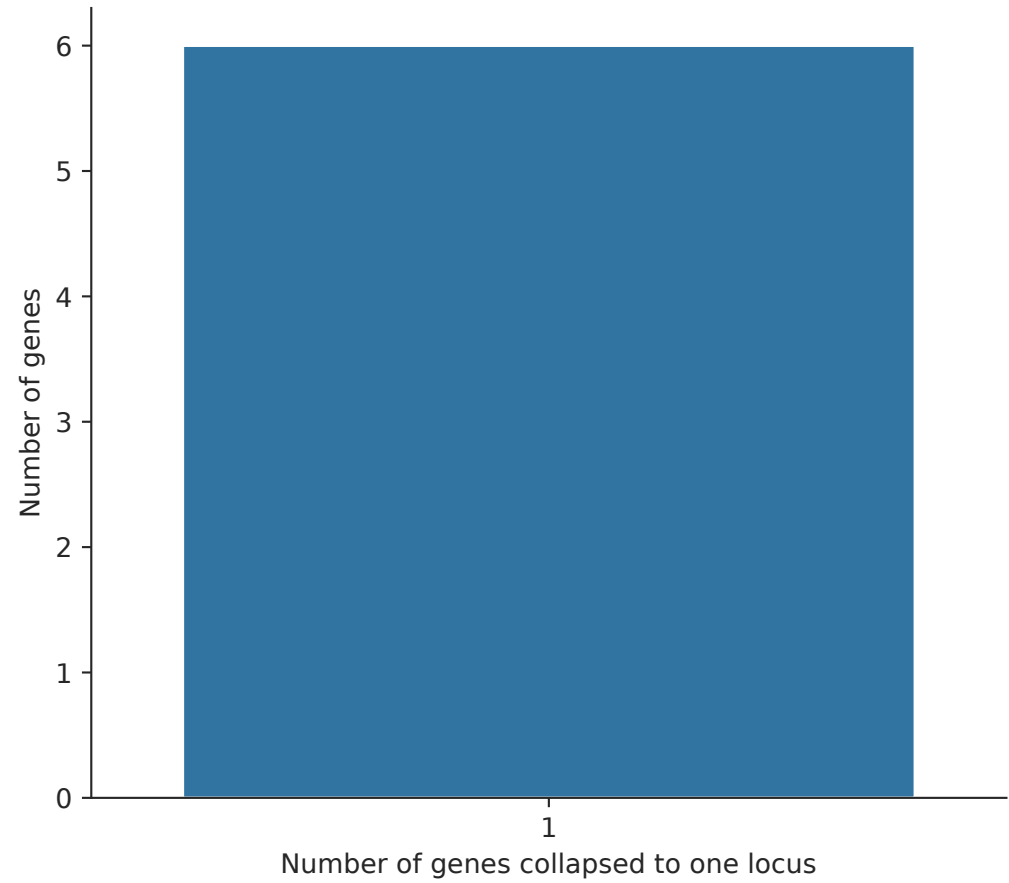

genome = CHM13

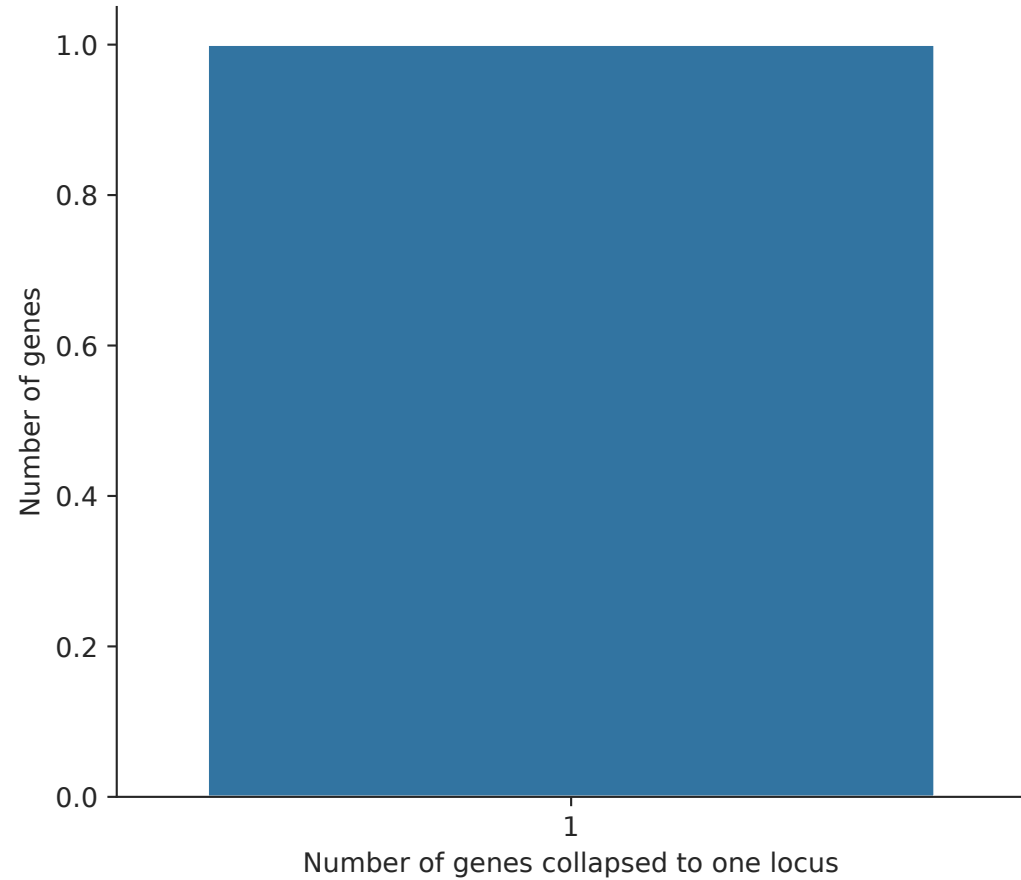

Number of genes collapsed during gene family collapse for IG_V_gene

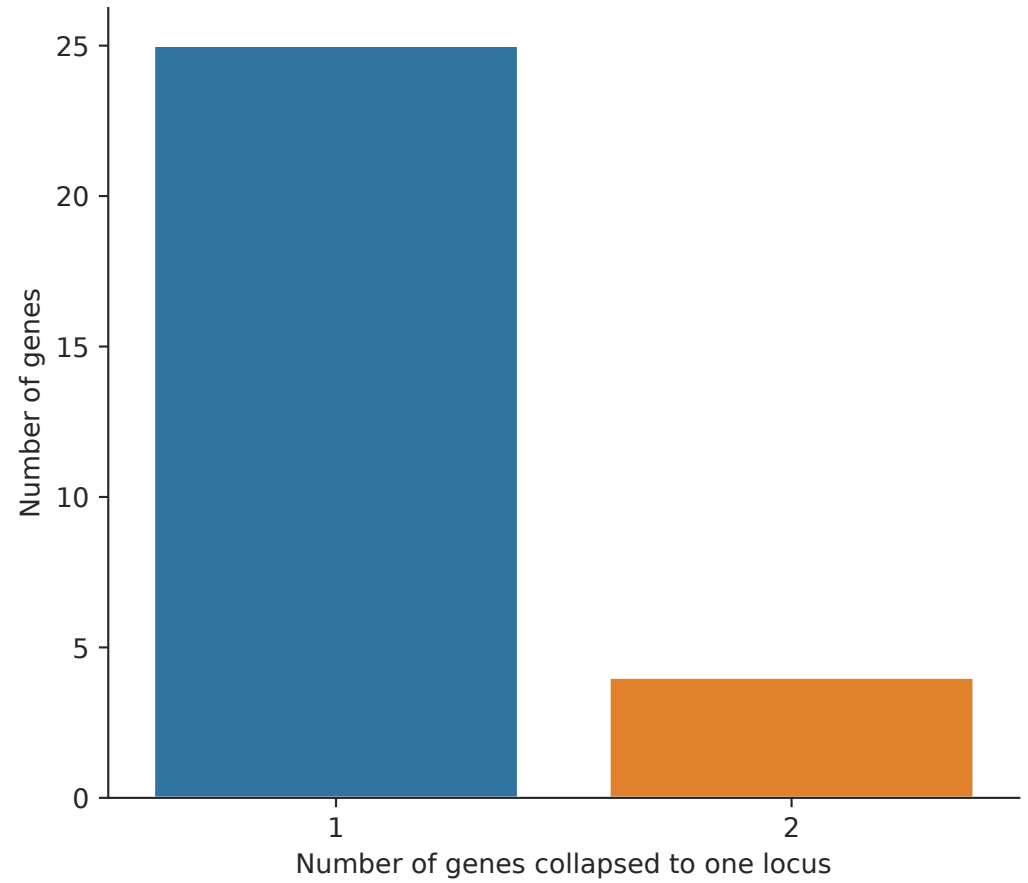

genome = CHM13

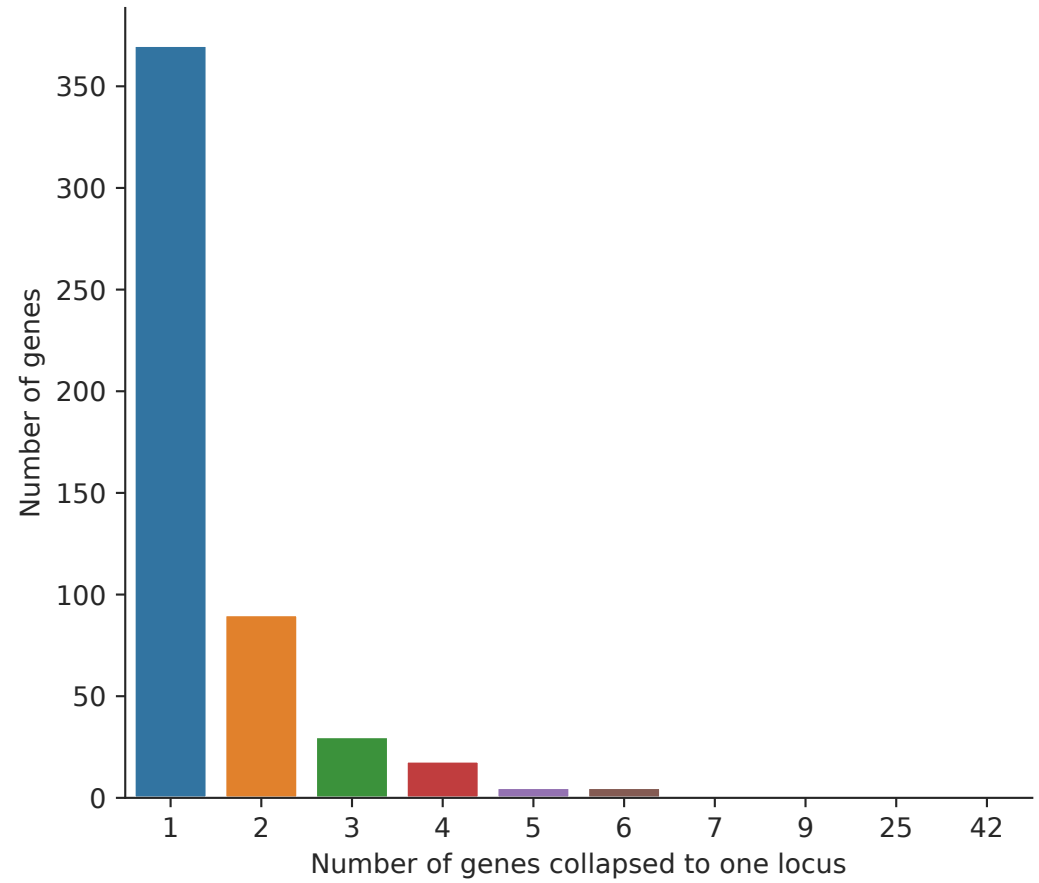

genome = CHM13

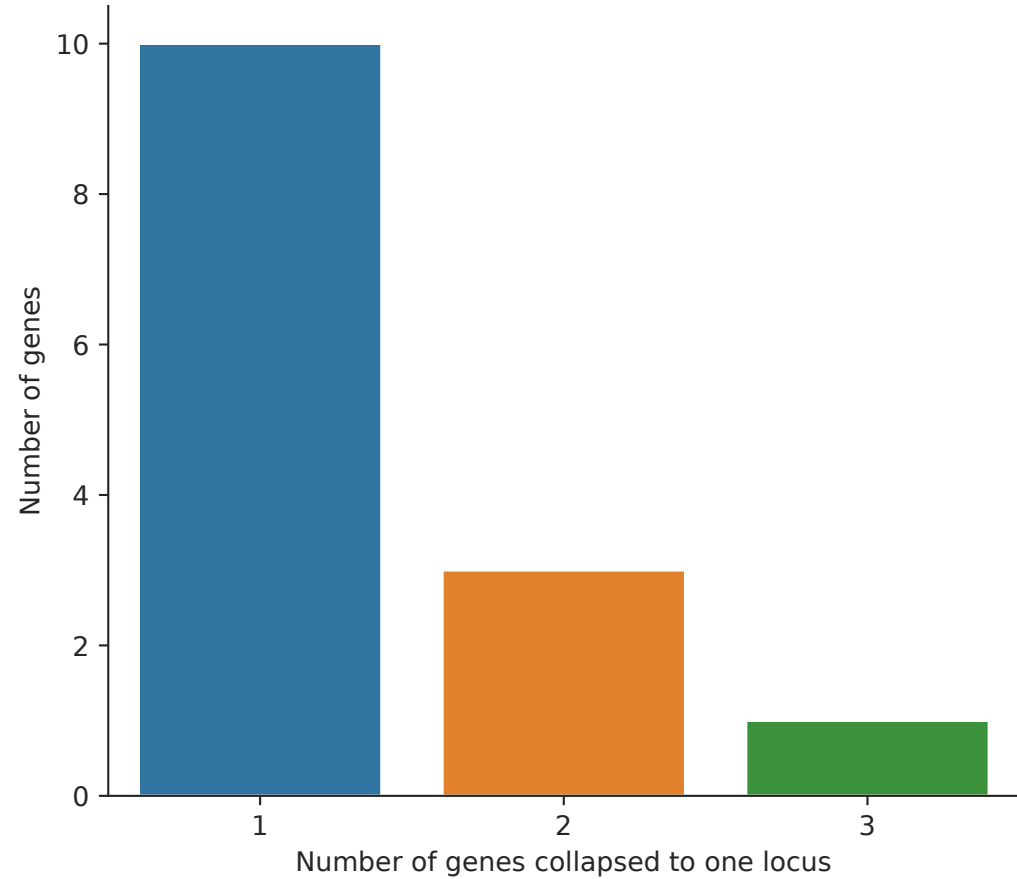

genome = CHM13

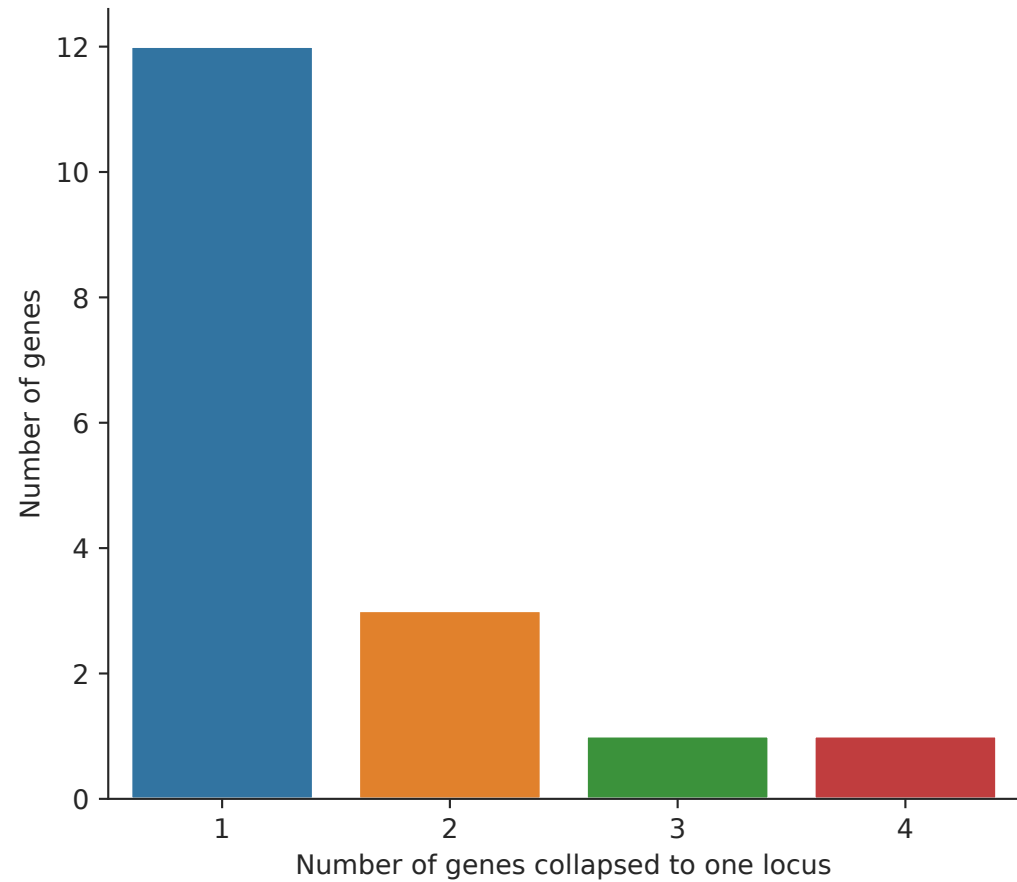

genome = CHM13

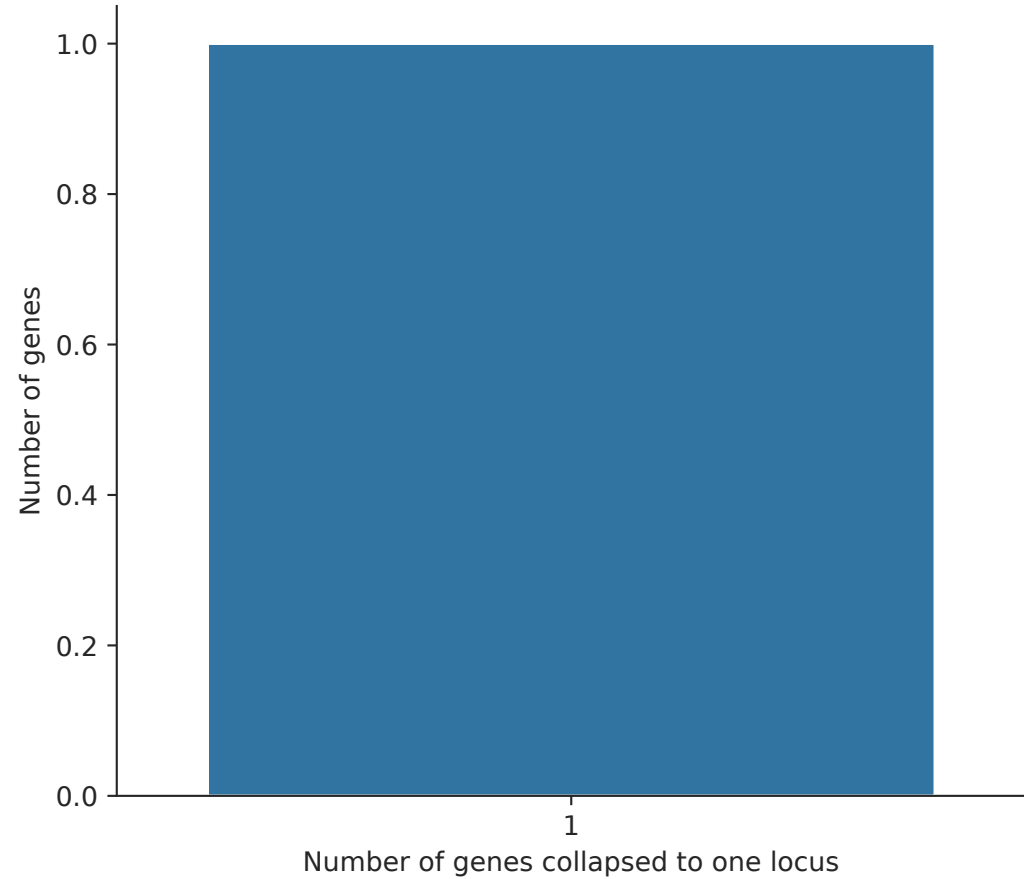

genome = CHM13

genome = CHM13

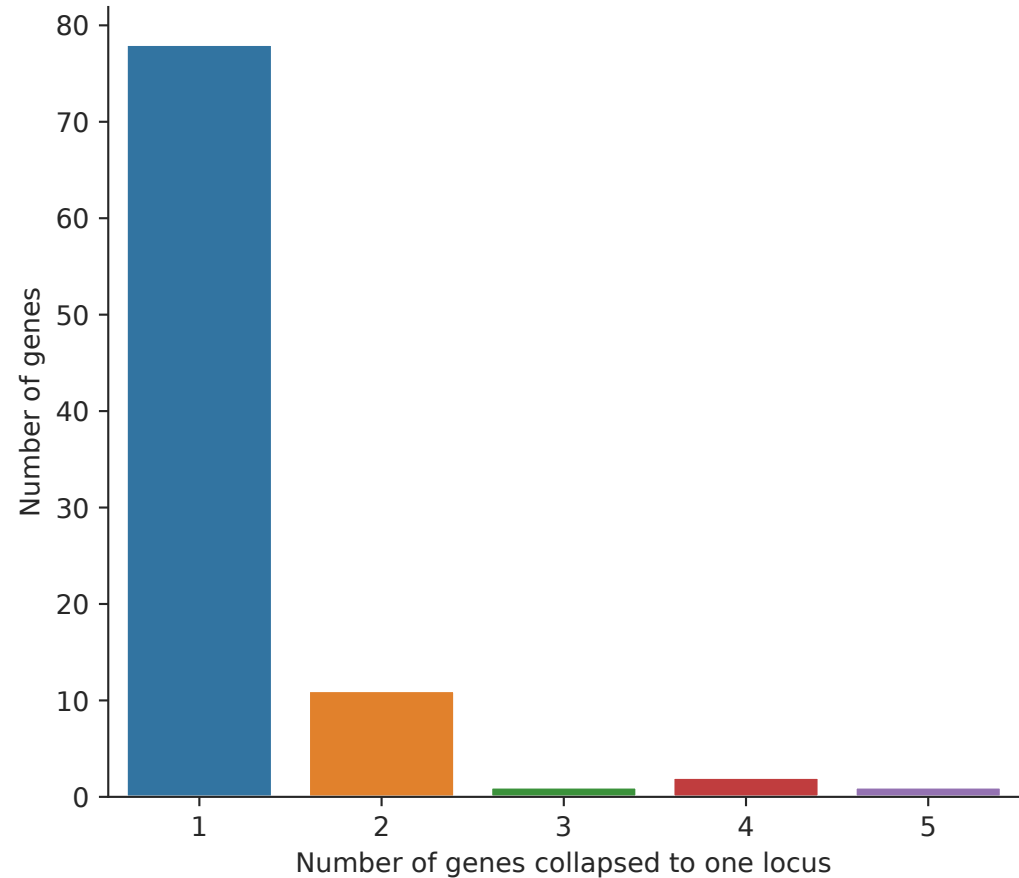

genome = CHM13

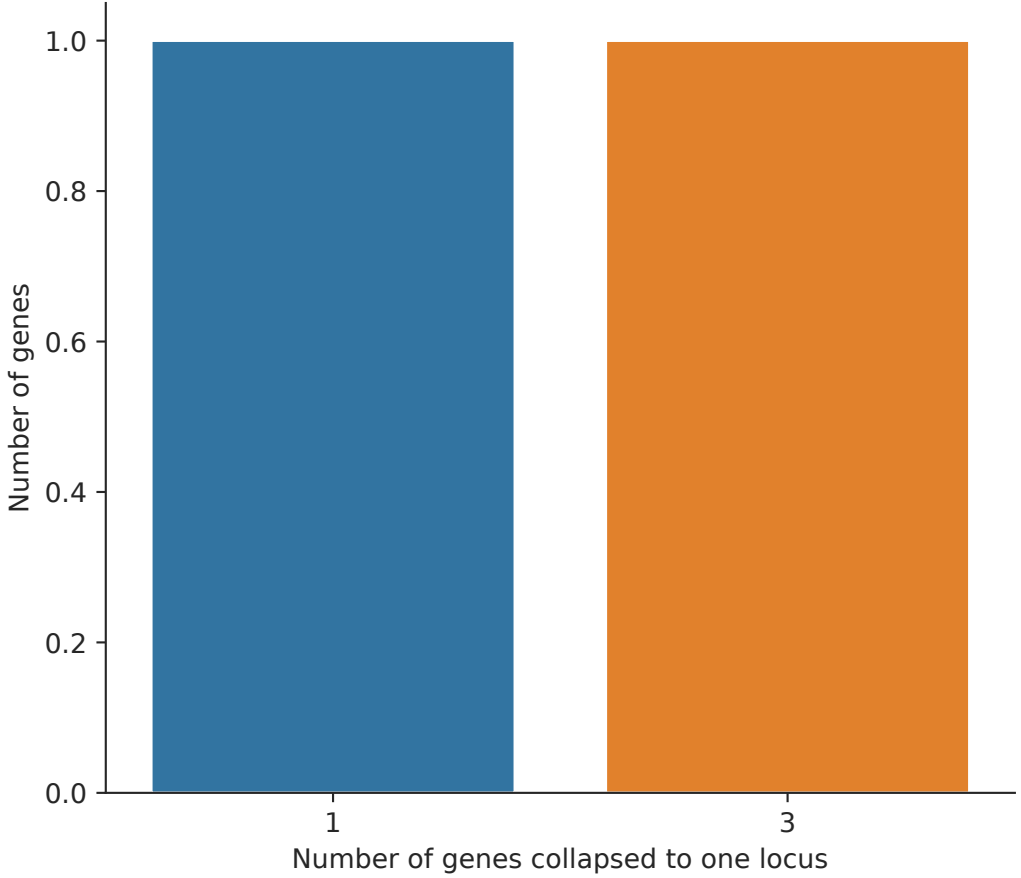

genome = CHM13

Number of genes collapsed during gene family collapse for processed_pseudogene

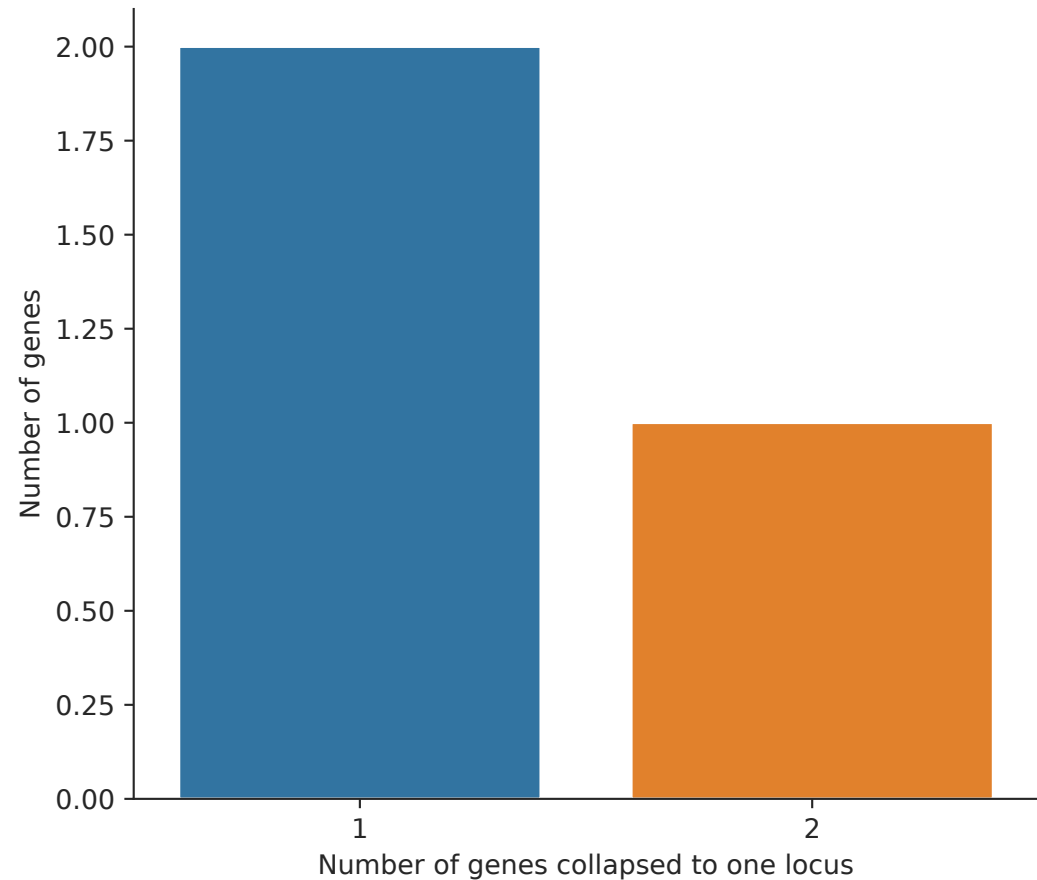

genome = CHM13

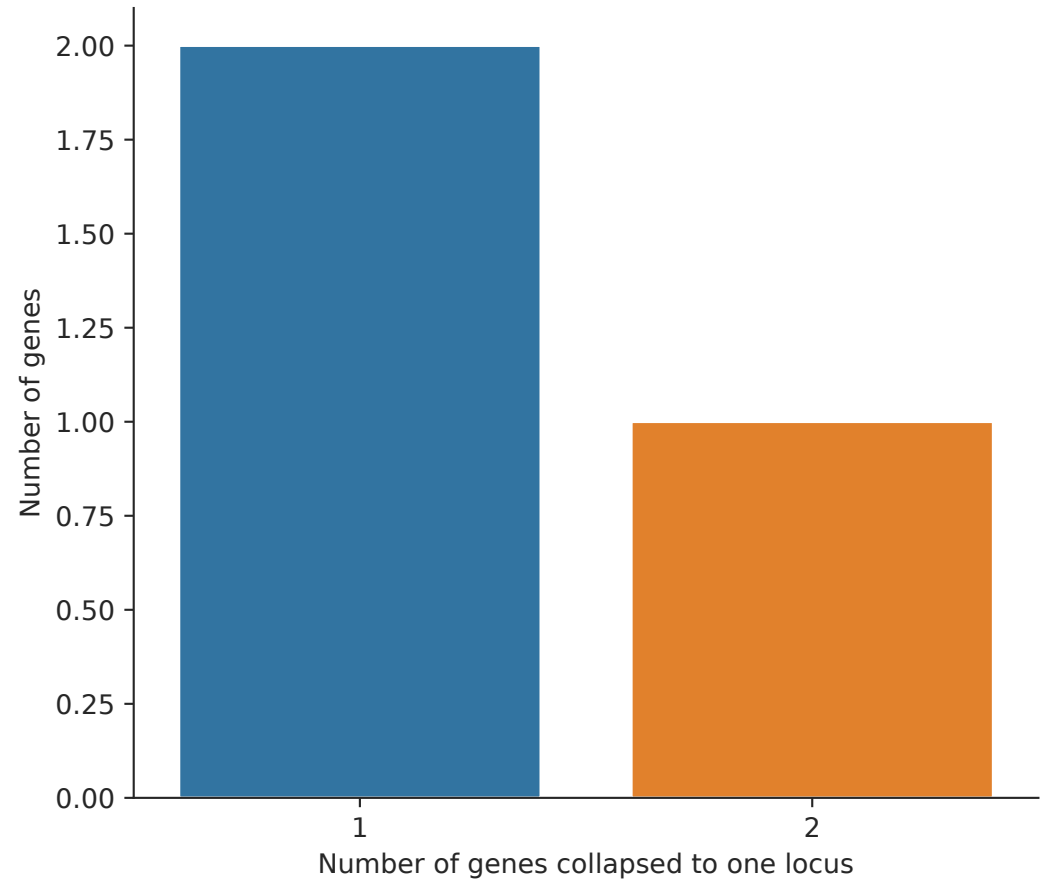

Number of genes collapsed during gene family collapse for rRNA_pseudogene

genome = CHM13

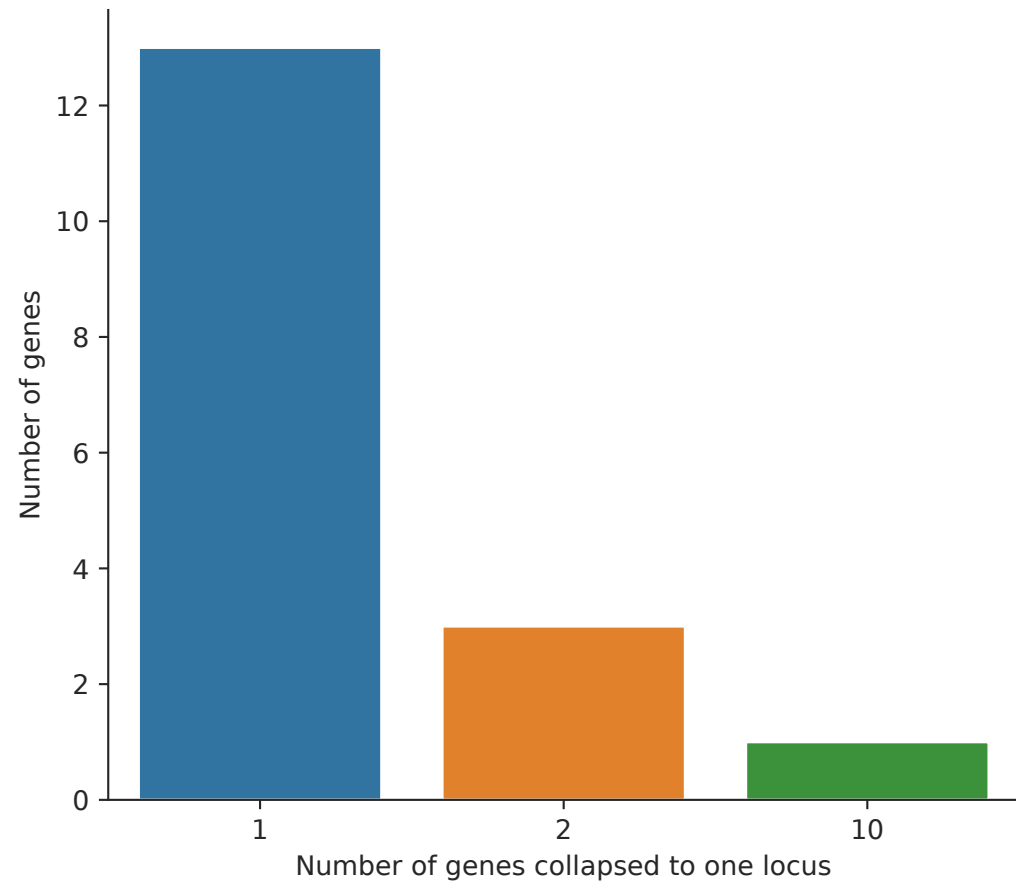

genome = CHM13

Number of genes collapsed during gene family collapse for scaRNA

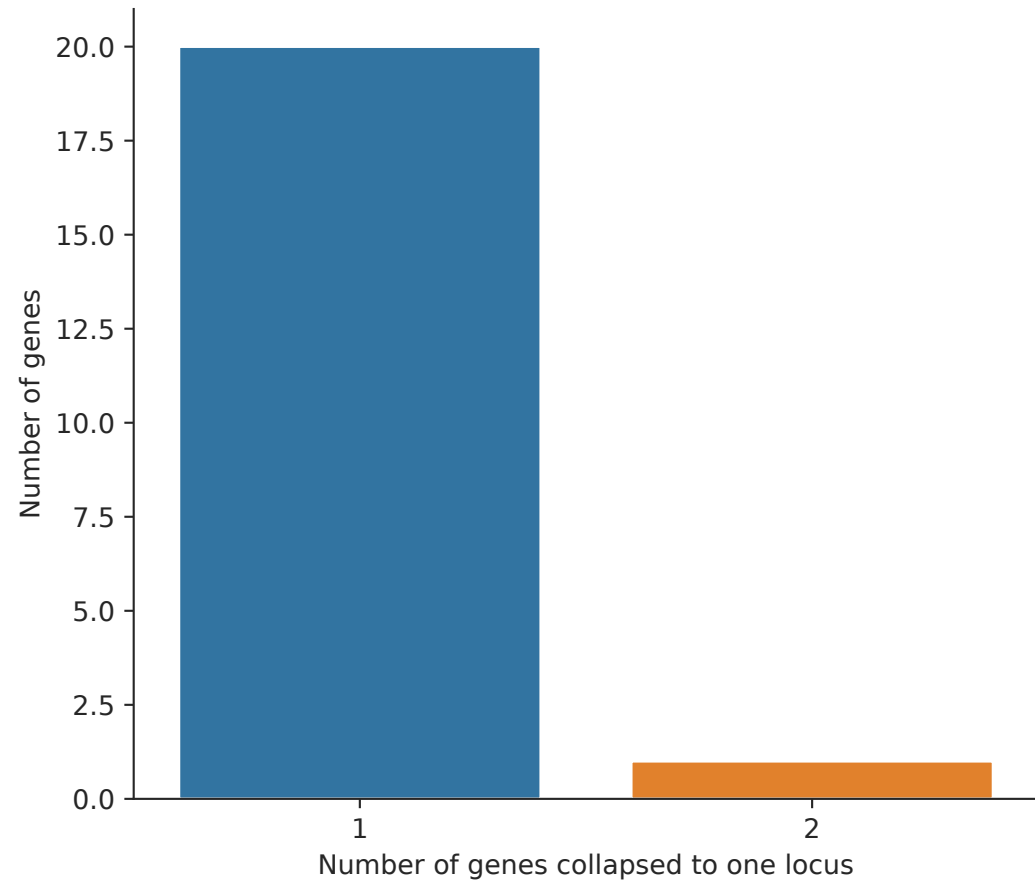

genome = CHM13

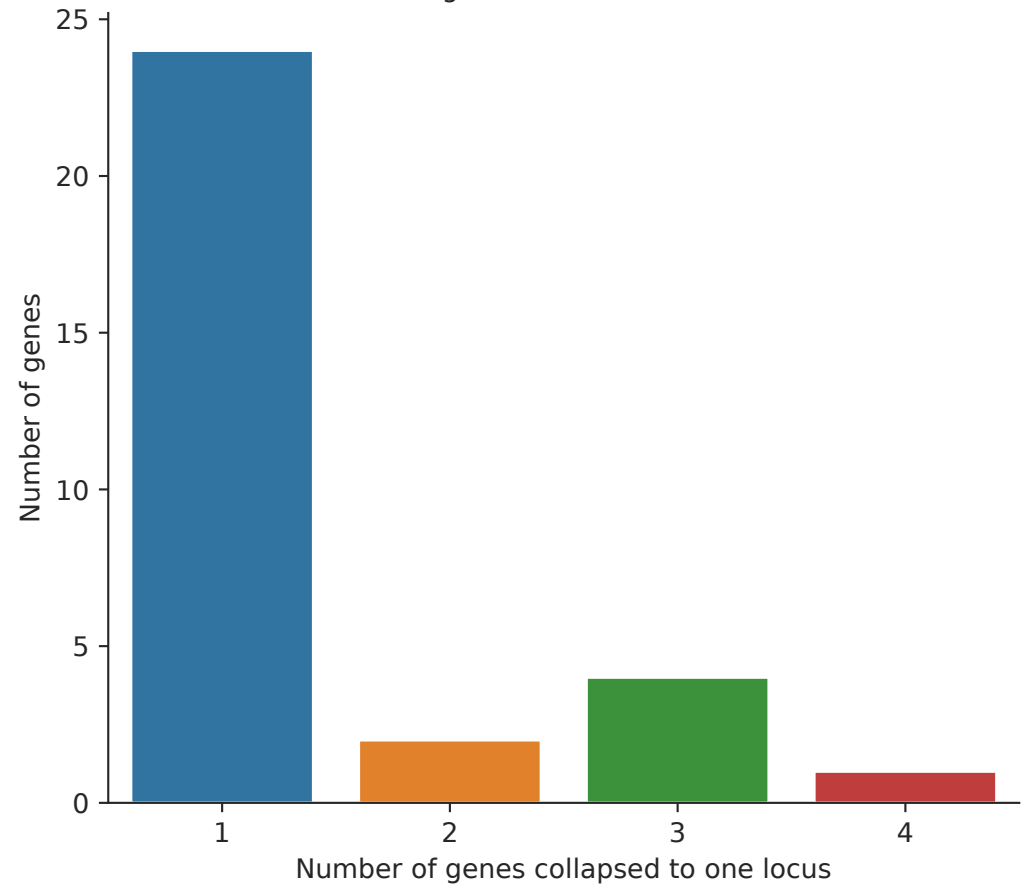

Number of genes collapsed during gene family collapse for snRNA

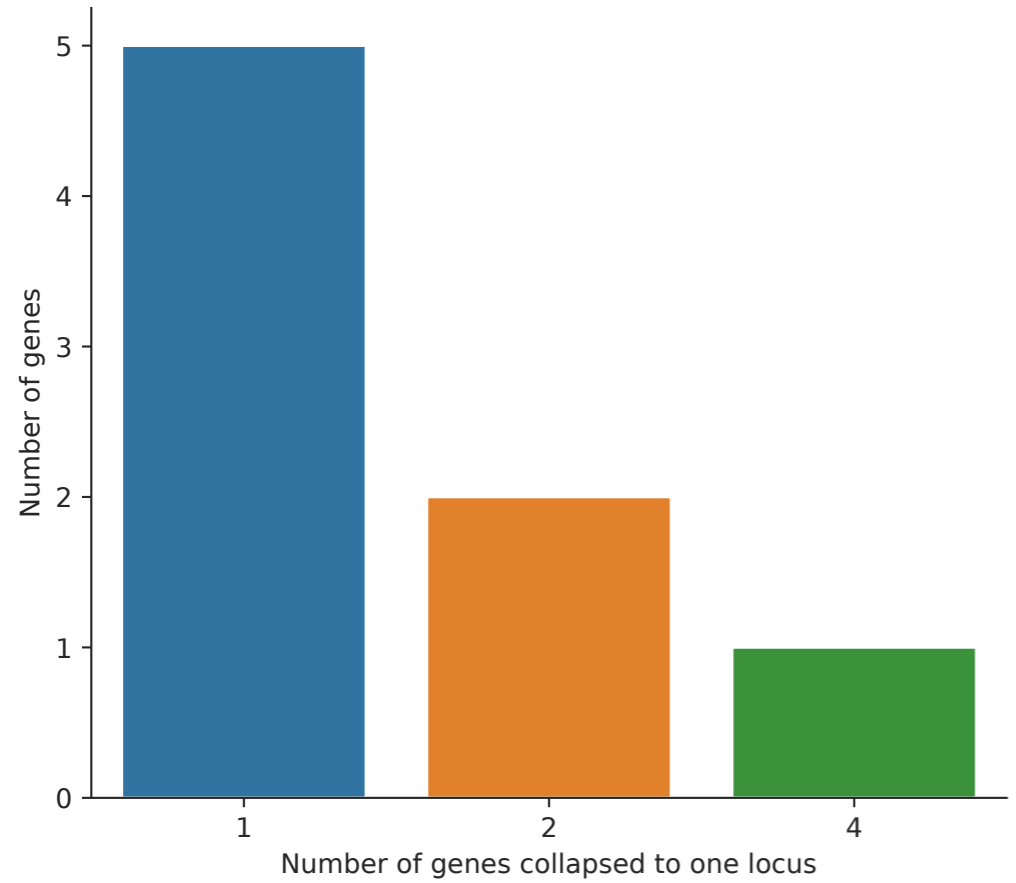

genome = CHM13

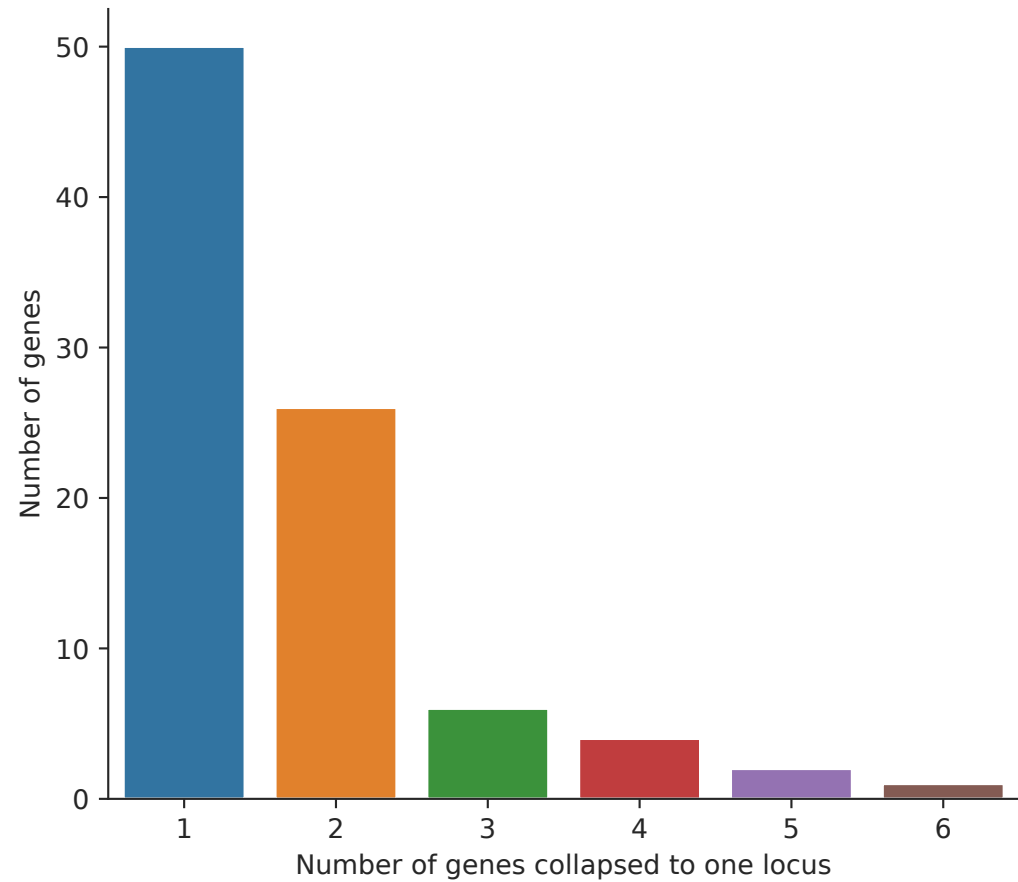

genome = CHM13

genome = CHM13

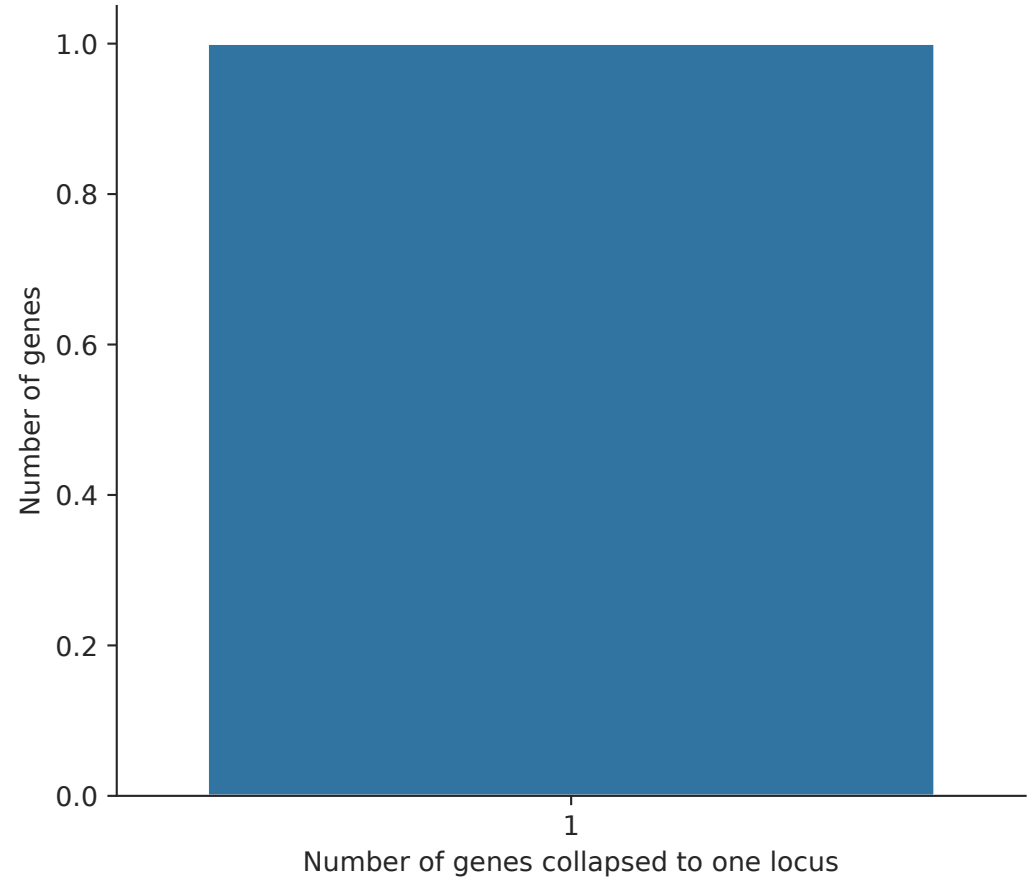

genome = CHM13

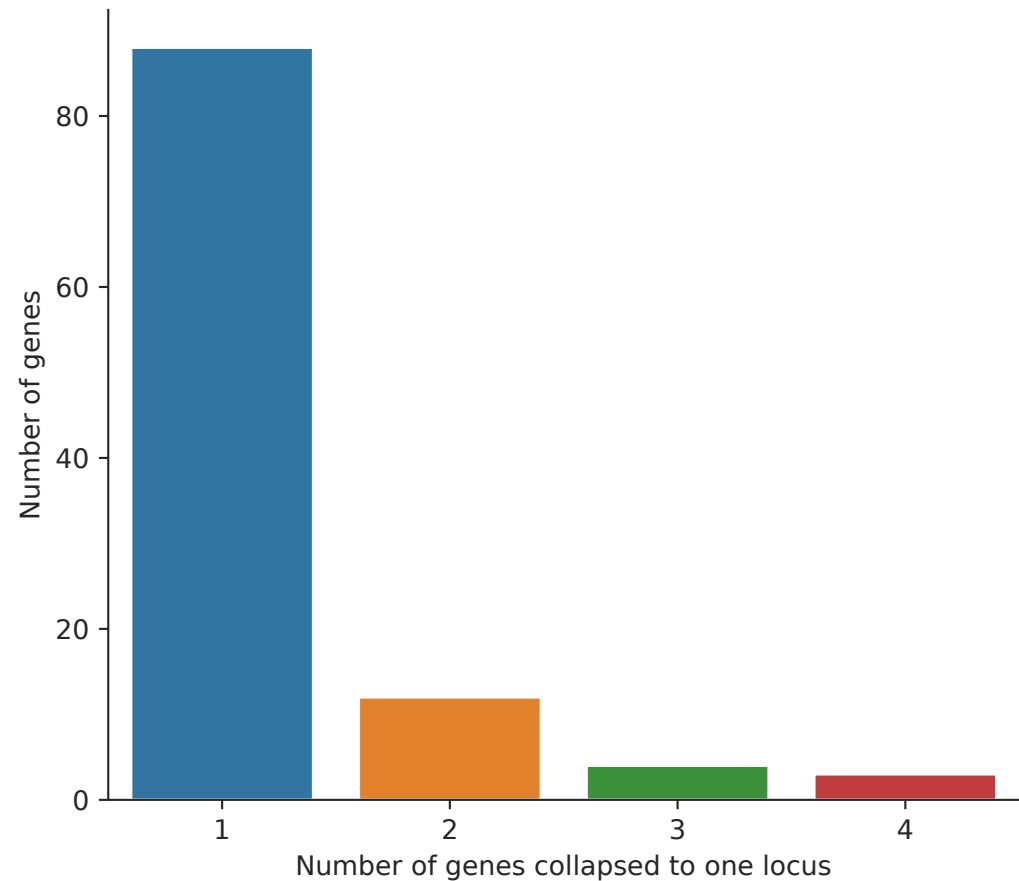

genome = CHM13

Number of genes collapsed during gene family collapse for unitary_pseudogene

genome = CHM13

Number of genes collapsed during gene family collapse for unprocessed_pseudogene

genome = CHM13

Number of genes collapsed during gene family collapse for vault_RNA
